In support of Andy Richards
The Light Runner fundraiser

25 June 2015

Dear sir or madam

Please consider this letter to be a sign of our good faith and commitment to Andy Richards and his fundraising campaign, titled "The Light Runner".

We are Mental Health Australia, the peak charity organisation supporting and advocating on behalf of the mental health sector in Australia, as well facilitating a voice for those who live with a mental illness and those who care for them.

Mr Richards has approach us to be one of the beneficiaries of funds raised during his campaign and we have graciously accepted. We are pleased and proud to be associated with him and 'The Light Runner'.

We hope that you will consider providing Mr Richards with whatever support you can, both through the provision of in-kind and monetary donations, to assist him to lower or recover costs associated with his campaign. In this way, he can maximise the amount to be donated to our organisation.

The money donated to Mental Health Australia will be used to support our mission to redesign and reform the mental health sector in Australia, so it can provide the support needed to the millions of Australian's affected by mental illness each year.

I thank you in advance for your support.

Sincerely

Chris Wagner
